

Dear Hiring Committee,

It is with immense pleasure that I recommend Stephen Hecker for a performing role with Pirate Dinner Adventure. I have had the distinct privilege of working closely with Stephen for the last year as the owner/promoter of VWC, where he has been a standout talent portraying the popular character, "Captain Seaside," a flamboyant pirate performer at our professional wrestling events.

The character of "Captain Seaside" is a fully immersive, theatrical experience that Stephen executes with flourish. I would like to place a strong emphasis on the following aspects of his skill set, which are critical for any successful performer:

- **Acting and Character Immersion:** Stephen doesn't just *wear* a pirate costume; he becomes "Captain Seaside." He maintains the character's voice, physicality, and thematic narrative the entirety of the show, demonstrating a high level of commitment to character integrity.
- **Improvisation (Improv):** Wrestling events are unpredictable, requiring performers to react instantly to unexpected crowd comments, technical issues, or unscripted in-ring situations. Stephen's ability to use his improv skills to turn potential setbacks into entertaining moments is impressive, always keeping the audience engaged and immersed.
- **Entertainment Value:** Stephen possesses a natural stage presence and charisma. He is adept at commanding a crowd, controlling the energy of the audience, and delivering compelling dialogue, ensuring the audience is thoroughly entertained before, during, and after his performance.
- **Professionalism and Reliability:** Stephen is consistently one of the first performers to arrive and is always fully prepared. He maintains a respectful and collaborative attitude with all staff, crew, and fellow performers.
- **Ability to Execute:** His role demands not only theatrical skill but also a high degree of physical and vocal endurance, as he often performs multiple segments in a single night.
- **Time Management Skills:** Stephen reliably manages the stringent time constraints required in a live production. He is punctual for call times, understands the importance of hitting specific time cues for entrances and segments, and can quickly adapt his performance to fit an adjusted schedule without compromising quality.

In conclusion, Stephen Hecker has proven he can fully embody a pirate character, excel in high-stakes live entertainment, and adhere to the highest standards of professional conduct and time management. He is a multi-talented performer who, I believe, would be a tremendous asset to the Pirate Dinner Adventure cast.

I highly recommend Stephen without reservation. Please feel free to contact me if you require any further information.

Sincerely,

Mr James
