

*"I feel so thankful and blessed to be able to continue my musical journey. This being my 6th CD seems so surreal to me, being able to do what you love in life is living your dream. Creating this CD is like a painter with a blank canvas just waiting to color it with melodies and grooves. "In Your Dreams," the title song, came to me in the middle of the night to the sound of silence. I knew this would be the perfect title to name this CD. What made this project so special was in selecting the tunes and the arrangers. Another great attribute is always my band with my same crew, I feel that we continue creating and crafting a new dimension for our unique sound. I hope our CD "In Your Dreams" brings you enjoyment and tranquility."*
