

Hello Pastors/Youth Pastors/Workers!

Thank you so much for all you do to positively impact the lives of teenagers! You are truly amazing individuals, and I deeply appreciate your dedication. Like you, I pray and strive daily to be used by God to make a meaningful difference in our students lives.

Let's make Main Event a tool for reaching out to new, unchurched students. By inviting them to our local groups and encouraging them to join us for the Main Event weekend, we can create multiple opportunities for them to hear the Gospel message and plant seeds of faith. My prayer is that through this experience, lives will be transformed, hearts will be saved, and God will be glorified. I also pray that both new and returning students will feel the impact of the Holy Spirit and leave this event inspired to bring people to Jesus through their God-given talents. Our speaker will be Taylor Mickelson, he is Youth Pastor in Loveland, CO and he is excited to share the word of God with us!
