

NYI Teen Camp 2026

FAMILY GROUP ASSIGNMENTS

EMAIL ON OR BEFORE May 21st

Email completed form to **conyiteencamp@gmail.com** with FAMILY GROUP as subject line.

We will be doing family group assignments a little different this year.

We will be developing family groups PRIOR to camp rather than at registration.

Please split your group into twos by age level - for example, two middle schoolers, two high schoolers

Your students DO NOT have to split by gender - just by twos and by middle school and high school

If you have a student that you know wouldn't mind being in a group by themselves - just include them on their own.

If you have an odd number - we will consider that when making groups
