Some of the camps policies Golden Bell and ourselves we will go over with your student:

- Wear sunscreen.
- Do not feed the wildlife.
- Keep the doors of all buildings closed because animals are curious and will wander inside.
- Take a buddy with you wherever you go.
- Use a flashlight when traveling at night.
- Please be on time for meals AND wear shoes. Please wipe your tables down after each use. Wait for Golden Bell staff to call seconds before helping yourself to more.
- Closed-toed shoes are required for all active activities.
- Be on time (or better yet early) to all activities.
- Only one person per bunkbed (two per bunkbed set). Do not stand on the bunk beds.
- Let a Golden Bell staff member know if something is broken.
- Please don't litter. Pick up after yourselves.
- Please abide by all posted signs such as, "no food or drink," "one only," "keep out," etc. This is especially important in the Dan Walker Chapel.
- Side effects may include but are not limited to: life-changing experiences, lifelong friendships, exorbitant amounts of fun, bellies full of great camp food, and so much more.

For Your Info:

- Campers are supervised by staff of the same gender, and male and female campers are housed separately. The staff of Golden Bell are CPR/AED and First Aid trained. We will also have an on-site Nurse if needed. If your child needs medication, please send the medication with the dosing information provided and please give it to your youth leader at drop off. There are a Snack Shack and Gift Shop on the campgrounds. The Snack Shack is offered to campers at various times. Snacks, drinks, souvenirs, and camp apparel are available for purchase.
