

BACKGROUND & PHILOSOPHY

For nearly 30 years, Hill House Hospice has been a vital source of end-of-life compassionate care, responding to our diverse community's growing need across York Region and beyond. Our mission is to provide high-quality palliative care, **at no cost to families**. We ensure that every resident is treated with dignity, respect, and the highest standard of care.

BUILDING THE FUTURE OF HOSPICE CARE IN YORK REGION

Help build the next Hill House - rooted in community, united in care! Hill House Hospice is a registered charity with a plan and goal to **build a purpose-designed 12-bedroom hospice**; bringing comfort, connection and family centred care to more people by 2029-30.
