Psychiatric Mental Health Services

Our experienced team offers compassionate psychiatric mental health services and effective psychotherapy to support your mental and emotional well-being.

Comprehensive Psychiatric Assessment

Streamlining processes and improving operational effectiveness.

Medication Management

We utilize medicine along with a reduced calorie meal plan and increased physical activity to help adults with obesity achieve weight loss.

Mental Health Screenings

At Opollo Health and Wellness, we treat ages 6 and above. We conduct comprehensive examination, diagnose and provide treatment.

Medication Management Weight Loss

For eligible patients, we offer medical weight loss solutions, including weight loss injections, to help you achieve your weight loss goals in a safe and efficient manner.
