

WEST BABYLON
PAL FOOTBALL

A NONPROFIT YOUTH
LEAGUE

Dear Prospective Sponsor,

The West Babylon PAL Football League is a new youth football league serving the communities of West Babylon and Babylon. Our league was started with the philosophy that football should be a safe, fun, rewarding experience for all of our children. Our program gives children the opportunity to learn about team work and build self esteem while interacting with children their own age. Our league services children between the ages of 5 and 12 years old. We offer flag football to our 5 and 6 year olds, rookie tackle to our 7 and 8 year olds, and regular 11 man football after that. At all levels our coaches stress safety, leadership, and a sense of community while making sure we have fun. All of our coaches are USA Football Heads Up certified and our head coaches are CPR/AED certified.

Our coaches and volunteers are the dedicated parents of the children in our league. We are working tirelessly to ensure our kids the ability to play in the safest and newest equipment while maintaining a level of affordability that will allow access for all of our community members. No child will ever be turned away for a lack of financial resources. In order to meet our goals and keep our children safe, we are relying on the generosity and support of our business community. We have sponsorship levels that everyone can afford and we appreciate every last donation. These children and families that need your support are the same people that shop in your stores and utilize your services.

All of our sponsorship levels come with an acknowledgement on our website and various advertising perks that will let the community know you care. Please consider supporting our league and come on down and enjoy a game in the fall.

Thank you for your consideration,

Joseph Dispigno
