## **EXPERIENCE**

David E. Cantrell is a fire consultant with over 25 years of progressive experience in the fire service industry and 13 years of experience in the agricultural industry. As a fire investigator and consultant, he advises clients such as owners, insurance carriers and attorneys regarding the origin and cause of fire and explosion incidents. Mr. Cantrell's fire origin and cause consulting experience includes projects in most of the United States. He has undertaken investigations into vehicles, single- and multi-family residential, commercial, industrial, and agricultural structures, machinery, and properties. David has investigated fires for liability carriers in thirty-five states, nationwide. Mr. Cantrell has extensive experience in the poultry production area of agriculture.

Mr. Cantrell achieved the rank of Assistant Chief at the Hackleburg Fire Department. He has participated in numerous investigations, including structural, vehicle, and machinery fires. He has managed inspections and pre-fire planning of area structures, coordinated training for emergency responders in the state of Alabama and assisted in investigations with state, local and federal investigative authorities.
