

The logo consists of a white rectangular box with a blue border. Inside the box, the word "PLATFORM" is written in a bold, blue, sans-serif font. The box is slightly tilted to the right.

PLATFORM

The background of the slide is a photograph of several young children playing soccer on a grassy field. They are wearing blue and white soccer jerseys. One child in the foreground is running with their arms outstretched, looking towards the right. Other children are visible in the background, also in motion. The image is slightly blurred, giving a sense of action. Overlaid on the top of the image is a decorative graphic with a purple-to-blue gradient and a white wavy line. The text "Platform Sports Coaching Saturday Soccer Games Programme" is centered over the image in a dark gray, sans-serif font.

# Platform Sports Coaching Saturday Soccer Games Programme

“To combine high quality coaching  
with regular games, to allow players  
opportunities to transfer learnt skills  
into a game environment”

## Platform Games Programme

The Programme will consist of the following age groups U6 – U11 and will allow children opportunities to train and learn new skills whilst having the opportunity to showcase these skills in regular games.

Each player will be assigned a random Platform team to represent during the term and will play games with this team for that term. When a fixture is not scheduled all players will train together at Esher College as an age group.

All fixtures will take place at Esher College and will be 9am kick offs.

Each team will have 7/8 players to allow for when players are away. At the end of each term winners and runners up medals will be awarded and the teams will be re-shuffled ready for the new term.

## Platform Games Programme

The format for Years 1 and 2 are changing as they move into playing 3v3/4v4 games instead of 5v5, so teams will be smaller this term and this will get players more touches on the ball in games.

We have changed the format of the way the games program will run for these ages where they will play games one week in the 3v3/4v4 format, and then train the next.
