Platform Games Programme Year 2 Welcome Pack

September 2021

"To combine high quality coaching with regular games, to allow players opportunities to transfer into a game environment"

The Programme

The Programme will consist of the following age groups U6 – U9 and will allow children opportunities to train and learn new skills whilst having the opportunity to showcase these skills in regular games.

Each player will be assigned a random Platform colour to represent during the term and will play games with this team. When a fixture is not scheduled all players will train together at Esher College as an age group.

All fixtures will take place at Claygate Recreation Ground and will be 9am kick offs. Each team will have 7/8 players to allow for when players are away.

At the end of each term winners and runners up medals will be awarded and the teams will be re shuffled ready for the new term.
