REO RESUME

Portrait Real Estate has an excellent understanding of the REO process including, BPOs, pricing, and the marketing necessary to accelerate the disposition of investor held assets in today's real estate market.

Portrait Real Estate offers a full service REO division with Carolyn Herrera as the managing broker along with experienced, qualified full time employees who together handle the entire process of REO disposition. We do all of our own BPOs with extremely accurate price points that will get the properties sold in better than average times. I am the main point of contact for all of our REO properties so you will be dealing only directly with the agent that represents your assets. Our extensive experience allows us to accurately advise bank asset managers on their most valuable assets. We have a dedicated asset manager hotline which includes a cell phone and an email that allows you to contact us 24/7. We pride ourselves on being immediately available. You will be able to track the status of your assets in real time on a private website.

With More that 15 years of real estate experience and having been involved in the last round of massive REO listings here in Maricopa and Pinal county, my team and I are more than capable of handling your important business and would love to add your assets to our portfolio.

We are poised for your assignments and are here make your disposition hassle free.

Sincerely,

Carolyn Herrera
