## **NO!! TO THE VAX PASSPORT!**

1. Over 150k deaths from this injection along with severe side effects including strokes, seizures, paralysis, and blood clots. These are under-reported by hospitals. [VAERS are 10% of actual numbers at best].
2. People are being persuaded by propaganda & marketing via corporate media [paid by Big Pharma] to take an un-scientifically tested shot.
3. Record censorship on Google, YouTube, Facebook: 'fact checkers' and news media of thousands of doctors, nurses, virologists, & even former employees of *Pfizer* and *Moderna*, all speaking out against the mRNA injection.
4. Dr. Kary Mullis inventor of the PCR test said the test does not detect infection. Increasing the Cycle Threshold on the test to above 30 Cycles will produce at least 90% false positive covid cases. Former VP of Pfizer: Dr. Michael Yeadon said severe adverse reactions & mass death from mRNA COVID injection is virtually guaranteed!
5. Vaccines are a 60-plus billion dollar industry with no legal liability. Forced or coerced vaccination is a form of rape that violates your bodily autonomy. Forcing schoolchildren to be violated is an abomination.
6. Influenza did not just magically disappear. Most people with the flu and/or pneumonia have been mis-diagnosed intentionally as COVID-19, in order to fraudulently increase the number of cases and deaths.
7. The NIH, the FDA and the CDC are directly responsible for thousands of deaths due to their opposition to a wide range of early treatments. Hundreds of studies worldwide proved that early treatment with nutritional supplements such as Vitamin C, D, zinc, Ivermectin, Hydroxychloroquine, and other safe and low cost treatments could have saved countless lives.
8. The abuse of ventilators, Remdesivir and Midazolam killed tens of thousands of people worldwide in hospitals.
9. People who had COVID-19 have stronger, more complete and more durable immunity than what may be provided by the jabs.
10. The so called "vaccines" do NOT prevent infection / transmission of the virus.

Inventor of mRNA Vaccine Dr Robert Malone warns about the risks of experimental vaccines VAERS Reports are up to 15,000+ Deaths in the U.S. and 100,000+ hospitalizations from the covid-19 injection. It is commonly thought these numbers are only 10% at best of actual numbers, due to lack of reporting.
