### By Car or Foot

From Bradford Road follow the signs to Salts Mill & Saltaire Train Station.

Proceed down Victoria Road passing Shipley College and Saltaire railway station on your left, Salts Mill on your right. At the end of Victoria Road you will see a sign for New Mill, turn left here then carry on straight ahead taking the lane that runs alongside the canal towpath.

Follow the lane until you reach a gate which takes you into the main car park passing the tennis courts, by the bowling greens. Our building is to the left as you look at it.
