

# 3rd Annual Andrew Mazza Diesel Jam

March 2020

Dear

The Andrew Mazza Foundation and Johnson College invite you to attend the 3rd Annual Andrew Mazza Diesel Jam event on Sunday, June 14, 2020 at Johnson College. Diesel Jam is a celebration of the diesel truck community, featuring a truck show, Mobile Dyno, awards, vendors, food, and live entertainment. Awards will include Best in Show, Big Rig, Pick Up, Antique, Wrecker, and People's Choice. This year awards will also include top Dyno performance according to class. Diesel Jam is a rain or shine, family friendly event. Trucks of all kinds are highly encouraged to participate with registration beginning at 8am!

Diesel Jam supports the Diesel Truck Technology program at Johnson College and the Andrew Mazza Foundation. Johnson College provides an immersive, 2-year program to over 35 students! The program is designed to prepare students with the latest information, repair procedures, preventative maintenance, and safety applications to begin entry-level careers in the industry. The Andrew Mazza Foundation established in 2016, honors Andrew Mazza, a small-town hero who loved the diesel industry. Proceeds from Diesel Jam will also help to enhance and expand the leading Diesel Truck Technology program at Johnson College, provide Diesel Tech students with scholarships, and enrich the community that Andrew called home.

We kindly ask you to support the Andrew Mazza Diesel Jam with a sponsorship, monetary donation, or truck participation. Your contribution to our 501(c)(3) entity is tax deductible and very much appreciated. Early truck registration can be completed at a discounted fee through The Andrew Mazza Foundation's Website at [www.andrewmazzafoundation.com/diesel-jam](http://www.andrewmazzafoundation.com/diesel-jam) until June 8, 2020. You will find that both registration and sponsorship forms have been included for your convenience. We hope that you will consider being a part of Diesel Jam and its continued success. For any additional information, please contact Dawn Ziegler or Mike Novak. You can also check us out on Facebook at either The Andrew Mazza Foundation or Johnson College.

With your help, we can make an impact on our Industry by assisting in higher education, providing skilled technicians, promoting competitive wages and advancing career opportunities. In addition, we can support our growing diesel community in Northeastern PA while enjoying what Andrew loved most. On behalf of The Andrew Mazza Foundation and Johnson College, we thank you in advance for your support and generosity. We look forward to seeing you on June 14th.
