

Congratulations

YOU'RE GETTING MARRIED!

Your **Wedding Ceremony** should be a highlight of one of the most amazing days of your life.

It should be **FUN, PERSONAL** and **MEMORABLE**.

And it will be with me there by your side.

Your ceremony gets the party started.... sure there are a few legal bits and I'll make sure it's respectful to the awesomeness of marriage but it should be full of **love** and **laughter**.

That's where I come in with my magical storytelling, energetic vibe and genuine love for sharing this epic day with you.

I'm an extra member of your Wedding Party and here to help make your wedding the best experience of your life.

What happens in your

Ceremony

We must include the two legal parts, the Monitum and Legal Vows, but anything else goes!

It's a Civil Ceremony but you can include prayers, blessings and rituals to celebrate your faith and culture if you want.

I will create a ceremony for you that is light-hearted and full of love. I am respectful about the importance of marriage so it is not a comedy show but it is definitely not serious and boring! Love and laughter are the key ingredients. I have married over 300 happy couples so I have plenty of fun ideas to share!

There are so many options but here are a few popular ones:

Love
Story

I Do

Vows

Rings

Blessings

Readings
Poems

Songs
Dance

Pets

Unity
Ritual

Bubbles
Shots
Confetti

Kiss

I promise it is *your day, your way!*
