

Executive Director's Anniversary Message

Celebrating 35 Years of Service to Allottees

For thirty-five years, the San Xavier Allottees Association, Inc. has remained steadfast in its commitment to serve, represent, and advocate for allottees. This milestone is not simply a measure of time, it is a reflection of education, resilience, and the collective efforts of those who believed in the importance of protecting allottee rights and preserving allotted lands for future generations. Our work has been guided by the understanding that strong communities are built when allottees are empowered with knowledge and supported by transparent and accountable leadership.

This anniversary also honors the visionaries, board members, staff, volunteers, and community partners who have contributed their time and expertise over the years. Most importantly, it honors the allottees themselves-whose perseverance and engagement continue to shape the direction and strength of this organization. As we reflect on 35 years of service, we also look forward with renewed purpose. SXAA remains committed to advancing allottee interests, strengthening education and outreach, and protecting the resources entrusted to us. Together, we will continue building a future grounded in respect, unity, and opportunity.

Thank you for your continued trust and support. It is an honor to serve.
