From the Executive Director:

The San Xavier Allottee Association, Inc. enters Fiscal Year 2025–2026 with renewed confidence, purpose, and vision. Guided by experienced leadership and a management team strengthened through years of advocacy, SXAA continues to demonstrate effective, accountable, and transparent governance. Our progress reflects the collective dedication of those who have worked tirelessly to protect allottee rights and to build a strong foundation for future generations.

Yet, our continued success depends on **you — the Allottees**. We call upon every allottee to **get involved, attend meetings, ask questions, and learn about your rights and responsibilities** as tribal landowners and community members. Your voice, participation, and understanding are the driving forces behind lasting change and self-determination. Together, we can strengthen our collective future, ensure fair representation, and expand opportunities for sustainable growth and prosperity.

With innovation, unity, and commitment, SXAA stands ready to move forward — empowering every Allottee to take part in shaping a future rooted in knowledge, resilience, and shared success.

T'o'm-nei,

Ben H. Standifer, Jr.
Executive Director
