

CRDTS CAMP 2025

CALIBRATION AND METHODOLOGY PROGRAM

This 3+ hours program provides the following for your faculty:

- Both didactic and hands-on components.
- The opportunity to review, update, and strengthen your current faculty clinical calibration.
- Practical hands-on exercises that you can put to work in your clinic.
- Educational methodology that meets CODA Standards 3-6.
- Summary document to utilize for CODA self-study, including calibration meeting minutes.
- CE Credits that include calibration and educational methodology.

Sessions in conjunction with your CRDTS Exam & Independent CAMP Sessions
