Governance:

1. The Installer must have a current Ontario BCIN registration number at the time of module installation.
2. Installations must take place within the province of Ontario, Canada.
3. Installations must be completed under the specifications of a valid Building Permit as required by the current version of the Ontario Building Code or the specifications of a valid Environmental Compliance Approval issued by the Ontario Ministry of Environment.
4. Modules must be ordered from Cromar Environmental and received between January 1, 2025, and December 15, 2025, at 5:00 PM Eastern Standard Time.
5. Modules must be installed between January 1, 2025, and December 19, 2025, at 5:00 PM Eastern Standard Time.
6. Modules must be paid for **in full** between January 1, 2025, and December 19, 2025, at 5:00 PM Eastern Standard Time.
7. Installers must approve the use of their company name in the marketing of this promotion.
8. 1 draw ticket per Eljen GSF module (i.e., 30 module order = 30 draw tickets).
9. Draw ticket has no cash value.

10. Modules must be ordered from Cromar Environmental and installed and paid for in full prior to the draw ticket being issued to the installer and the ticket being placed into the barrel.
11. Cromar Environmental is responsible and accountable for the overall management and conduct of the draw.
12. Cromar Environmental will keep a detailed record of installers entered with draw ticket numbers and dates.
13. Once each week between March 1, 2025, and December 19, 2025, a Cromar Environmental representative will send an email to each installer individually whose Eljen GSF order has become eligible for the draw between the Monday and Friday of that week.
 - a. Each email will include each the installation information, the draw ticket number(s), and a photo of the draw ticket(s).
14. The odds of winning are relative to the number of Eljen GSF Modules ordered from Cromar Environmental and paid for in full during the period of January 1, 2025 and December 19, 2025. Example: 1 module out of 10,000 modules sold is equal to a 1 in 10,000 chance to win.
15. Cromar Environmental will provide one (1) prize of \$10,000.00 CAD (Ten Thousand Canadian Dollars) to the installer who has the draw ticket with the numbers matching the ticket drawn from the barrel by the Cromar Environmental representative on December 22, 2025.
16. Only the prize as described will be awarded to the recipient.
17. The winning participant must correctly answer a skill-testing question in order to claim the prize.
18. Payment of the \$10,000 CAD prize will be made available to the winner within 48 hours after the draw is completed.
19. The winning participant is responsible for paying any taxes that may be applicable to receiving the prize.
20. The draw will be broadcast live over Facebook Live and Instagram Live or other appropriate media services as decided by Cromar Environmental on the morning of December 22, 2025, at 10am EST (Eastern Standard Time).
21. On December 22, 2025, at 10:10AM EST, a Cromar Environmental representative will spin the draw barrel a minimum of five (5) times, then open the latch, then reach in and pull out one (1) draw ticket. That representative will then read the numbers on the ticket aloud and then show the camera and announce the name of the winning Installer.
22. A Cromar Environmental representative will attempt to contact the winner by telephone immediately following completion of the draw. This telephone conversation may be included in the broadcast at that time.

Good Luck!
