...Our RESPONSIBILITIES

Outfit Gifts: for all of our District International Workers (IWs: marketplace ministries, CAMA, Clergy workers (GCF), Vocational Workers (GCF/board), Envision and Self-supporting). We welcome the participation of all District churches in this vital ministry endeavor.

Overseas Guest Home: Ouagadougou Guest Home in Burkina Faso, Africa is our assignment. Our responsibility is to assist in keeping the guest house equipped to serve IWs and visitors.

Third Culture Kid (TCK) and Church Planter Kid (CPK) encouragement ministries: Churches are encouraged to “adopt” these children and remember them throughout the year for special occasions, birthdays, prayer support and encouragement. Their parents are also greatly encouraged through this vital ministry opportunity.

Contributions for these ministries may be submitted through Great Commission Women local ministries and then sent to Northeastern District GCW Treasurer.

...Our ENDEAVOR

As an auxiliary ministry of the C&MA, we are committed to developing vibrant women’s ministries District wide and we covet the support of all our District Alliance Churches.

We desire to serve together with each Northeastern District C&MA Church, proclaiming the message of Jesus, promoting worldwide missions and energizing our District International Workers through prayer, financial support and encouragement.
