---	-----------------------	---	--

## Explanation of Expenses

**Please Note:** All Monies for the following should be **sent directly to our District GCW Treasurer.** Please do not send to C&MA National Office in Colorado Springs for expenses listed below. (The NE District nor your church get credit if you send directly to the National Office.)

**International Worker (IW) Outfit Gift** - The outfit fund is paid to all our IWs to provide them monies and can be used for personal needs as they wish to use them. Breakdown is: \$187.50/year/adult and/or child age 12 and above; \$125/child (age 11 and under)/year. We can meet this responsibility for our NE District IWs if each church gives towards this by a guideline of \$3/woman in women's ministries, a special love offering, or fundraiser.

**District Ministry Expense Fund (DMEF)** - \$40/church/year due in May or any time throughout the year. This covers the cost of the expenses for our entire leadership team attending the annual leadership training retreat at Delta. This also covers expenses incurred by coaches up to \$25 for materials and district operational supplies and expenses. In addition, expenses for materials, copying, Director's travel expenses, and other administrative costs are covered under this fund.

**National Ministry Expense Fund (NMEF)** - \$50/church/year due throughout the year that can be divided up to make it easier to budget. This expense covers the cost of all the national project materials, i.e., DVD, project cards; the *Engage* magazine and supplements received throughout the year and mailing cost, web site cost, National Director expenses for travel, etc.

**Ouagadougou Guest Home (OGH)** - Overseas responsibility given to the Northeastern District GCW by national. Each district gets an overseas responsibility. It is suggested a Christmas offering be taken up for this, but it can be at other times from fall until June 15. We help with supplies for the home; i.e., linens, appliances, repairs of the house, etc.

**National Project (NP)**: There are several times throughout the year to send in monies received towards the 2017-18 national project or you can send to the District GCW Treasurer as you receive monies. These monies go the Great Commission Women (GCW) National Project: **more.** Our target goal is to raise \$157,500 to support four key initiatives for at-risk and captive girls around the world to hear the Gospel of Christ. Most of the areas to receive NP money are Creative Access making it more difficult to specifically promote. All monies for this project must be in to our District GCW Treasurer by June 15, 2018.
