Points of Interest

- * Check-in at the hotel is at 3 p.m. The hotel will let you check in early if the room is available. The best thing to do is leave your luggage in the car in case the room is not available until after 3. You can also put it along the walls in the ballroom during the *Converge* sessions. **Converge sessions start promptly at 3 p.m.** There will be time to check in between the *Converge* sessions and dinner.
- * We will be honoring our retired International Workers at Spring Refresh.
- * Interactive Prayer Stations will be available during the break times at Refresh. Please feel free to visit them and spend some time in prayer.
- * Don't forget your bathing suit if you want to swim!
