

# HIS MASTERPIECE

**ALLIANCE WOMEN**

## Spring Refresh CONFERENCE

“Imagine, you’re a masterpiece! “We are fearfully and wonderfully made! My soul knows it very well!” except... we know the words, we just don’t really believe them most (or all) of the time. What stands in the way, what is true about us, how do we live into that beautiful Imago-Dei? What difference does it make, anyway? What if it makes...a world of difference? And a different world?

“With humor, vulnerability, and practical stuff, author and speaker Jane Rubietta invites us into a new framing of ourselves, as seen through God’s lens.”
