Northeastern District Alliance Women

Our Guiding Principle

Connecting Women for
Kingdom Impact
Locally & Globally

...Our Projects

These projects are as follows:

International Worker Ministry Fund: for all of our District International Workers (IWs). We welcome the participation of all District churches in this vital ministry endeavor. Our IWs can then use those funds where they need it the most (outfit fund, work fund, special project fund).

Overseas Guest Home: Pompidou Guest Home in Libreville, Gabon, Africa is our assignment. Our responsibility is to assist in keeping the guest house equipped with supplies and furnishings to serve IWs and visitors. We also assist with the upkeep of the guest home.

Third Culture Kid (TCK) connection ministries: Churches who have "connected" with these children are encouraged to remember them throughout the year for special occasions, birthdays, prayer support and encouragement. Their parents are also greatly encouraged through this vital ministry opportunity.

Contributions for these ministries may be submitted through Alliance Women local ministries and then sent to Northeastern District Alliance Women's Treasurer.

...Our Guiding Principle

CONNECTING WOMEN FOR KINGDOM IMPACT BOTH LOCALLY & GLOBALLY.

We desire to connect women...

- ~ to Jesus through the testimony of His Word in our communication
- ~ to the work of The Alliance through our projects and publications, and
- ~to each other through regional events such as retreats and conferences.

~ We define Kingdom Impact as spiritual transformation in individuals and communities.

~ We connect locally and regionally because the gospel transforms individuals and communities.

~ We connect globally because the gospel is for all people. We desire to bring all of Jesus to all the world.
