# Northeastern District Alliance Women

## **Our Mission**

We exist to exalt Jesus and complete His Great Commission.

# **Our Vision**

To have women desire to experience the deeper life and be on mission together.

#### **Our Guiding Principle**

Connecting Women for Kingdom Impact, Locally and Globally.

That principle should be at the center of all we are doing in our women's ministries in our churches. We want to make connections with women, both locally and globally.

## **Our Identity**

We are women in a Christ-centered Acts 1:8 family.
