

Dear women of the Northeast District of the Alliance,

I would like to invite you to consider an amazing opportunity to join other women from our district in this one-year Bible and Discipleship course. We will read and study the Word of God and 12 excellent books together and be stretched to process and apply Biblical truths together to our lives.

Take a minute to check out the website: <https://www.empowerww.org/>

My life was richly blessed this past year. I felt like God brought me to a sweeter and quieter place in my soul that I was deeply longing for. I respect the 8 women who took this Empower journey with me and together we would like to invite you to prayerfully consider it. Here is a short [video from our 2020 graduates](#).

You can [register online](#) and reach out to me, but don't delay. Early bird registration ends July 1, which is \$800, AND the district is offering a \$200 incentive scholarship to the first 10 women who register bringing the cost down to \$600. So, ACT NOW.

I am really excited about the tremendous potential and great opportunity to see women in upstate and central New York grow together as they are challenged and equipped for ministry. Please feel free to reach out to me with any questions.

Sincerely,  
Amy Nehlsen, NED Site Coordinator for Empower

We are grateful for our District Disciplemaking Specialist, Lisa Vogan, as she graduated Empower One this year as well. This program aligns with our district vision of making disciples.

*"I am very glad that the Northeastern District had a pilot satellite site for Empower this past year. All nine women successfully completed this first year, and some will now go further. At graduation each one gave a testimony of being challenged, blessed, and growing personally in a very powerful way. Equipping like this is right at the core of our district vision to engage everyone as a full ministry partner. We are eager to see more women take this choice opportunity to step up in their faith and ministry. If you are on the fence, I say: Go for it!"* **David Linn, District Superintendent**
