

## HIS MASTERPIECE

October 2025

### More Than Missions by Terri Groh, District Alliance Women's Director

I love supporting our international workers in prayer and in getting their financial and physical needs out to our district. It has been one of my greatest joys as I serve in the role of district director. It's fun to connect a need one of our district international workers has with a local church or individual who can help with that need. Supporting our international workers has been at the core of Alliance Women since its inception.

However, we are more than just missions. I also love when women come to our retreats and hear the Lord speak to them about a particular issue. Or they communicate with me and let me know how they have grown spiritually through an event or getting connected with Alliance Women in their local church.

We just finished up our first all weekend long Fall Refocus retreat and it was such a good one. While I always enjoy the retreat, I was thankful for the extended time we

had together. Some came for just Friday and Saturday, while others came for the entire weekend. We had a praise and prayer time on Saturday night and it was a beautiful time of sharing how we heard from the Lord during the weekend. We also spent time praying together in small groups and that was meaningful.

Two specific testimonies came out of the weekend. One attendee heard the Lord telling her to go overseas as a missionary and it was confirmed through the words of another woman who knew nothing of her call. The second woman stood up and said she felt that the Lord was telling the women that they should go overseas no matter their age. Unbeknownst to her, the first woman had just prayed that she needed some confirmation!

Another was a young lady who shared that she felt Jesus pulling her back to himself throughout the weekend. We were able to pray for her and affirm her in that.

These types of experiences thrill my soul. It is wonderful to hear how the Lord is moving through the ministry of Alliance Women and such an honor to be a part of that.

If you didn't get a chance to make it this past weekend, then stay tuned for our next event which will take place on April 24-25, 2026 at Auburn Alliance Church. I hope you can join us then!

# Shaped for His Glory

---

By Eunice Lumawag

**Have you ever been to a pottery house? If you were a potter, what kind of pot would you shape and design? Why?**

**Read Isaiah 45:9–10**

When I was living in Thailand for 20 years as a missionary with my husband, I saw pots and jars with different shapes and designs, all according to their purpose. They were all beautiful, reflecting the potter's mastery.

In Isaiah 45:1, Cyrus was chosen by God to accomplish his purpose of conquering Babylon and allowing the Israelites to return to their land, although Cyrus did not know God. Who can thwart the righteous hand of God? God can use anybody for His purpose because He is the Creator. Cyrus was like a pot of God to accomplish His purpose.

Isaiah uses the analogy of the potter to represent God and the clay to represent His people—revealing God's purpose for His people and displaying who He is for His glory.

**The Potter shaped you for His purpose.**

As “clay,” you are fearfully and wonderfully made. Your life is already ordained for His purpose, and everything is written in His book (see Ps. 139:14–16). You were shaped and designed as a complete and perfect pot.

God the Potter shaped, molded, and crafted you beautifully with His hands. You are His original masterpiece. He fearfully molded you with love and care so that you would become who He desired and planned, serving His purpose. As a result, nothing can change what the Potter has formed.

When you question God's purpose for forming you this way, find comfort that God's wisdom and ways are higher than yours. Paul said, “Should the thing that was created say to the one who created it, ‘Why have you made me like this?’” (Rom. 9:20). Embrace the truth that God designed you complete and perfect—you are not lacking in your purpose. For we are God's masterpiece—He has created us anew in Christ Jesus, so we can do the good things He planned for us long ago (see Eph. 2:10). You were created to do good works—a pot that will bring people to the Lord by disciplining and helping others to grow in Him, by caring for the elderly, or by giving to the poor and others.

Have you discovered what kind of pot He shaped you to be?

**The Potter shaped you for His glory.**

As the Potter, God made Himself known to be the Creator! This is what the Lord says, “The holy one of Israel and your creator . . . I am the one who made the earth and created people to live on it. With my hands I stretched out the heavens. All the stars are at my command” (see Isa. 45:11–12).

When God created everything in heaven and earth, including us, God's character was displayed. First, it speaks of His sovereignty—He is in control of everything. Before things came to be in your life, God has already set it apart. What happens in your life is all part of God's way to shape you as His masterpiece. Second, it shows He is the all-knowing God—He challenges His people, asking if their wisdom can match His wisdom, "Do you question what I do for my children? Do you give me orders about the work of my hands?" (v. 11). God has foreknown what you need to fulfill His purpose. As the sovereign and all-knowing Potter, God commands us to obey Him so that we can see His glory manifested in our lives.

Are you resisting God as He leads you to His purpose? I love this principle that I learned from the course, *God's Heart, My Heart*. Why am I here? I am here to glorify God! As He transforms me, I can display His splendor to the world. By seeing my life, people will have a better idea of who God is. Each day, I remind myself of His purpose for me, because I am shaped by the potter to display His character, so people will be drawn to Him and glorify Him. God, our Potter, commands us to display His masterpiece. Therefore, let our life speak of who He is.

### Discussion Questions

What are some ways you will continue to live out who God has shaped you to be?

Using clay/dough, mold an object that would remind you that you are His masterpiece. Why this shape? Share with your group/others.

### Closing Prayer

*Father God, my loving Creator, You are my Potter who is sovereign and full of wisdom and knowledge. My Potter who fearfully and wonderfully shaped me to be who I am today. I am grateful that I am Your masterpiece. Teach me to surrender my life to You, and continue to mold me and shape me into the person You want me to be. May my life glorify Your name!*

Let this song be my prayer:

Change my heart oh God, Make it ever true;  
Change my heart oh God, May I be like You;  
You are the Potter, I am the clay;  
Mold me and make me, This is what I pray.  
Amen!
