March 23, 2020

Hello Harrison Plaster and Drywall Customers,

As always, we can't thank you enough for your continued business. It is our goal to continue to serve you as long as we feel we can do so safely.

In our effort to adapt to the challenges of operating safely in the COVID-19 environment, our suppliers have decided that starting today March 23, 2020, they will not deliver any drywall/materials needed into a lived-in home.

Please understand that we must implement these changes for the safety of our employees and our customers.

In a world that has changed for us all, we are saddened by not being able to conduct business as usual, because we are very personal, we love our customers and love to greet you with a handshake!

We apologize for having to limit our interaction with you, but feel this is necessary to keep everyone safe, so we can continue to do business with you in the future. We look forward to shaking your hand VERY soon.

Thank you for your understanding, we will get through this!

Dan Harrison, President  
Harrison Plaster & Drywall, Inc.
