

Universal Compressed Air
Delivering Compressed Air as a Utility

Universal Compressed Air Welcomes Erik Conrad as Controller

January 11, 2023

Universal Compressed Air (UCA), a Pennsylvania-based provider of innovative compressed air systems welcomes Erik Conrad as Controller. Erik brings significant experience in finance, accounting and human resources, and he will be instrumental in bringing UCA infrastructure to the next level.

Erik was born and raised in NJ around the Clinton area and graduated from Rider College in 1992 with a BS in Accounting. He started as an A/P clerk for American Fan, Corp. and worked his way up to CFO for Otex Specialty Narrow Fabrics with broad experience in accounting, finance, finance relationships and human resources.

Living in the scenic Pocono Mountains, Erik is an Eagle Scout and still help scouts with their duties and requirements for advancement. His hobbies include collecting toy trains, playing ice hockey and curling, hiking, fishing, restoring old cars, music and he is an amateur historian. Erik currently has a 1970 Dodge Challenger convertible and is restoring a 1944 Willys Army Jeep.

Erik Conrad
Controller
