## Teacher Home Studios

♥ Affordable Music Lessons ♥

Key Mobile Music is excited to offer music lessons in our teachers' home studios — warm, welcoming spaces designed to help students feel comfortable, focused, and inspired. At just **\$30** for each 30-minute lesson, this option is especially attractive for budget-conscious families or for students who cannot have lessons in their own homes.

TEACHER NEWS

**Alicia Proudfood** (piano, voice, harp)

Alicia will be performing *Perennial*, a harp-through-sculpture performance, with New Music Edmonton on June 5th. The performance is part of the *Now Hear This 2026 Festival*, running June 5–13.

Bravo, Alicia — Wishing you a wonderful performance!

**Jillian Slaght** (flute, ukulele)

Jillian recently graduated with distinction from The King's University with a Bachelor of Arts in Music!

Congratulations, Jillian!

# Why Short Daily Practice Works Better Than Long Sessions

Children learn to **play an instrument** more effectively through short, consistent practice than through occasional long sessions.

The brain **strengthens** musical skills through repetition and frequency—not exhaustion.

Even 10 focused minutes daily can improve:

- concentration
- memory
- confidence
- technical control

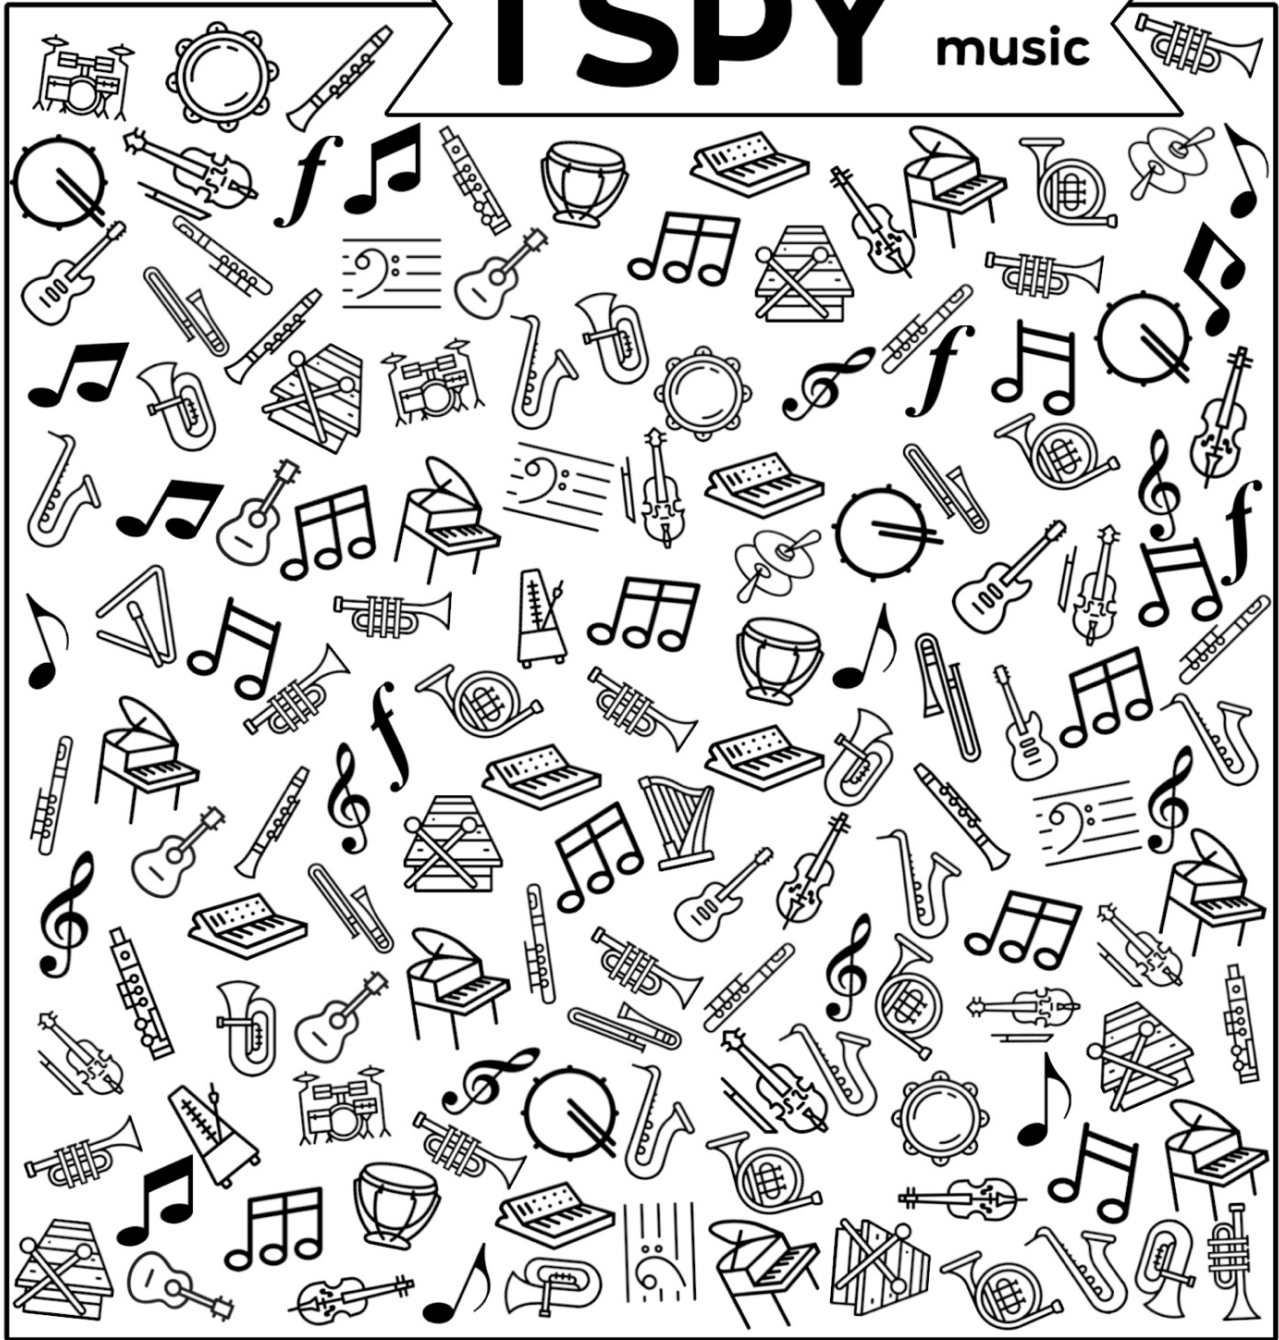

**Consistency** trains the nervous system to learn calmly and efficiently.
