Key Notes

Fall Recital

The Fall semester is well underway and our students are busy getting ready for the Fall in-person recital. Did I say "in-person"? I did indeed! Our last in-person recitals were in November and December 2019 when our students visited various Edmonton area seniors residences to perform. It is hard to believe it has been three long years since we were all together. This November 27th, students will have an opportunity to showcase their musical skills at the Fall Recital.

Students are busy choosing pieces to play and they are practicing their hearts out. See you there!

Free for Students!

Starting in 2023, Key Mobile Music will be offering more than one-on-one music lessons. Students will be able to supplement their music education with other students in our free online music clubs! Each club will meet on Zoom weekly, biweekly, or monthly. Some clubs we are exploring are:

- Music Theory Club
- Music Composing Club
- Music Performance Club
- Music Parents Club

More details to come in 2023!

Please note: Music Theory Clubs will not replace the music theory that students learn with their teacher nor will they prepare students for music theory exams.

Mike Dickey ★★★★★

Highly organized company, very responsive. Love that our piano teacher comes to us! Key Mobile has worked so hard over the past 2 years to keep the students connected through music. Thank you!

Marc-Antoine Landry ★★★★★

Amazing teacher. Adaptive skills to meet the needs of my daughters. Thanks so much Mme Bernadette.

Martine Ooms ★★★★★

Very talented teachers! My son's guitar skills have progressed so much since joining Key Mobile Music!

REMGameplays ★★★★★

I wanted to find a piano teacher for my kids who would come to us versus us going to a studio. Key Mobile was the best option for us and we were provided with an amazingly patient teacher who has spent the last few years teaching my kids - one with autism. When COVID happened, the company seamlessly moved to remote lessons and that has worked even better for us! The fees are good and the teacher is so great! Highly recommend!
