Geneva Airport Arrivals: Hire Car Pickup & Trains

For trains: Turn *left* out of the Arrivals gate. Walk along the hall to the end, then through the revolving doors, down the escalator. The SBB train ticket office is then on your right. If you have a ticket, go down the escalator onto the platform for the train to Lausanne/Brig.

Normally, you'll be on the inter-city train to Brig, via Geneva, Lausanne and Montreux. You'll usually change to a local train at either Martigny or Sion. Look at www.sbb.ch for timetable information. An advance 'Supersaver' ticker will be a lot cheaper, but as in the UK, is only valid for a specific train time.

The route is *from* 'Geneve Aeroport' to 'La Tzoumaz (tele.)' usually with a train change at Martigny; walk up to the téléphérique in Riddes, and change to the PostBus in Iséables.

If it's Sunday, and you need to shop, the Migros at the end of the second concourse is one of the few supermarkets that will be open. Most supermarkets and superstores close on Sundays in Switzerland.

If you need cash, there are UBS ATMs (left) towards the train station.

Go to www.sbb.ch for the journey planner, which includes timetables for train, gondola and bus. You can also email the La Tzoumaz Tourist Office, who will check the timetable for you. They'll also be aware of any holiday or roadwork changes to the schedules.
