(LTZ7 V.1 – 12.2.20)

All diagrams, maps and guidance provided without liability and may change subsequent to publication

Other Parking:

There is also free public car parking at various locations around the village, on the free navette route.

If the above parking is full, there is free parking just after the Etablons roundabout. From there, you can ski down to the télécabine base, and purchase tickets. Drive up past the caisses at the base of the télécabine following the signs to the 'baby lift / etablons' till you get to the Etablons roundabout, by the tunnel.

Turn left at the roundabout and you can see parking on your left.

At **Martigny**, follow Autoroute to **Brig** for 10Kms. After Saxon take the next Exit, No.24 to 'Riddes'. Turn right near top of sliproad. Keep right. Right 270° back under flyover.  Stop at T-Junction. Sharp Left-then-Right at 'meubles' - Next page ...

② At this corner **be careful**. You can see chalets ahead and the top of the valley - the road looks like it goes straight on but actually is a **sharp right hairpin**.

Look out for a white sign on the right:

- Road Tunnels (dotted line)
- Résidence Laforêt ★ (red star)
- Building ■ (grey square)

Parking
And location of Etablons on-piste parking.

Various outdoor public parking
No charge – but congested Weekends/school hols

Etablons Parking: this is next to the piste and from here, you can ski down to the télécabine base, and purchase tickets at the caisse.

*Drive up past the caisses at the base of the télécabine, following the signs to the 'baby lift / etablons' till you get to the Etablons roundabout, by the tunnel.
Turn left at the roundabout and you can see parking on your left.*

This is also the free navette bus route, so if you see a space, you can get on the bus up to Etablons or down to the caisses. Buses come about every 20 mins with a longer gap at lunchtime.
