

## JOIN IN ORCHID'S **GOLFING MIDSUMMER MADNESS EVENT** FOR A DAY LIKE NO OTHER!

Whether you are a weekend or a scratch golfer, this is an event not to be missed, in aid of Orchid, Fighting Male Cancer.

### **THE CHALLENGE**

Play as an individual or create a team and play around the longest day, and see how many holes you can complete during a 24 hour period. To have the most amount of daylight, plan the event around the longest day of the year, June 21st.

Raise vital funds for Orchid by getting sponsorship for the number of holes you play in a 24 hour period. There is a prize for the most holes and for the most sponsorship!

### **THE PRIZE**

A unique prize waits for two lucky winners (and their guest), the golfer who secure the greatest amount of sponsorship and the golfer who completes the most holes. You will be invited to enjoy a round of golf at the exclusive Swinley Forest Golf Club. You will be joined by former PGA champion and Orchid Patron, Simon Khan who will regale you with many golfing stories from the PGA tour, while helping you improve your game. After an enjoyable round of golf, you will relax in its wonderful clubhouse and enjoy a sumptuous lunch.
