Remove User:

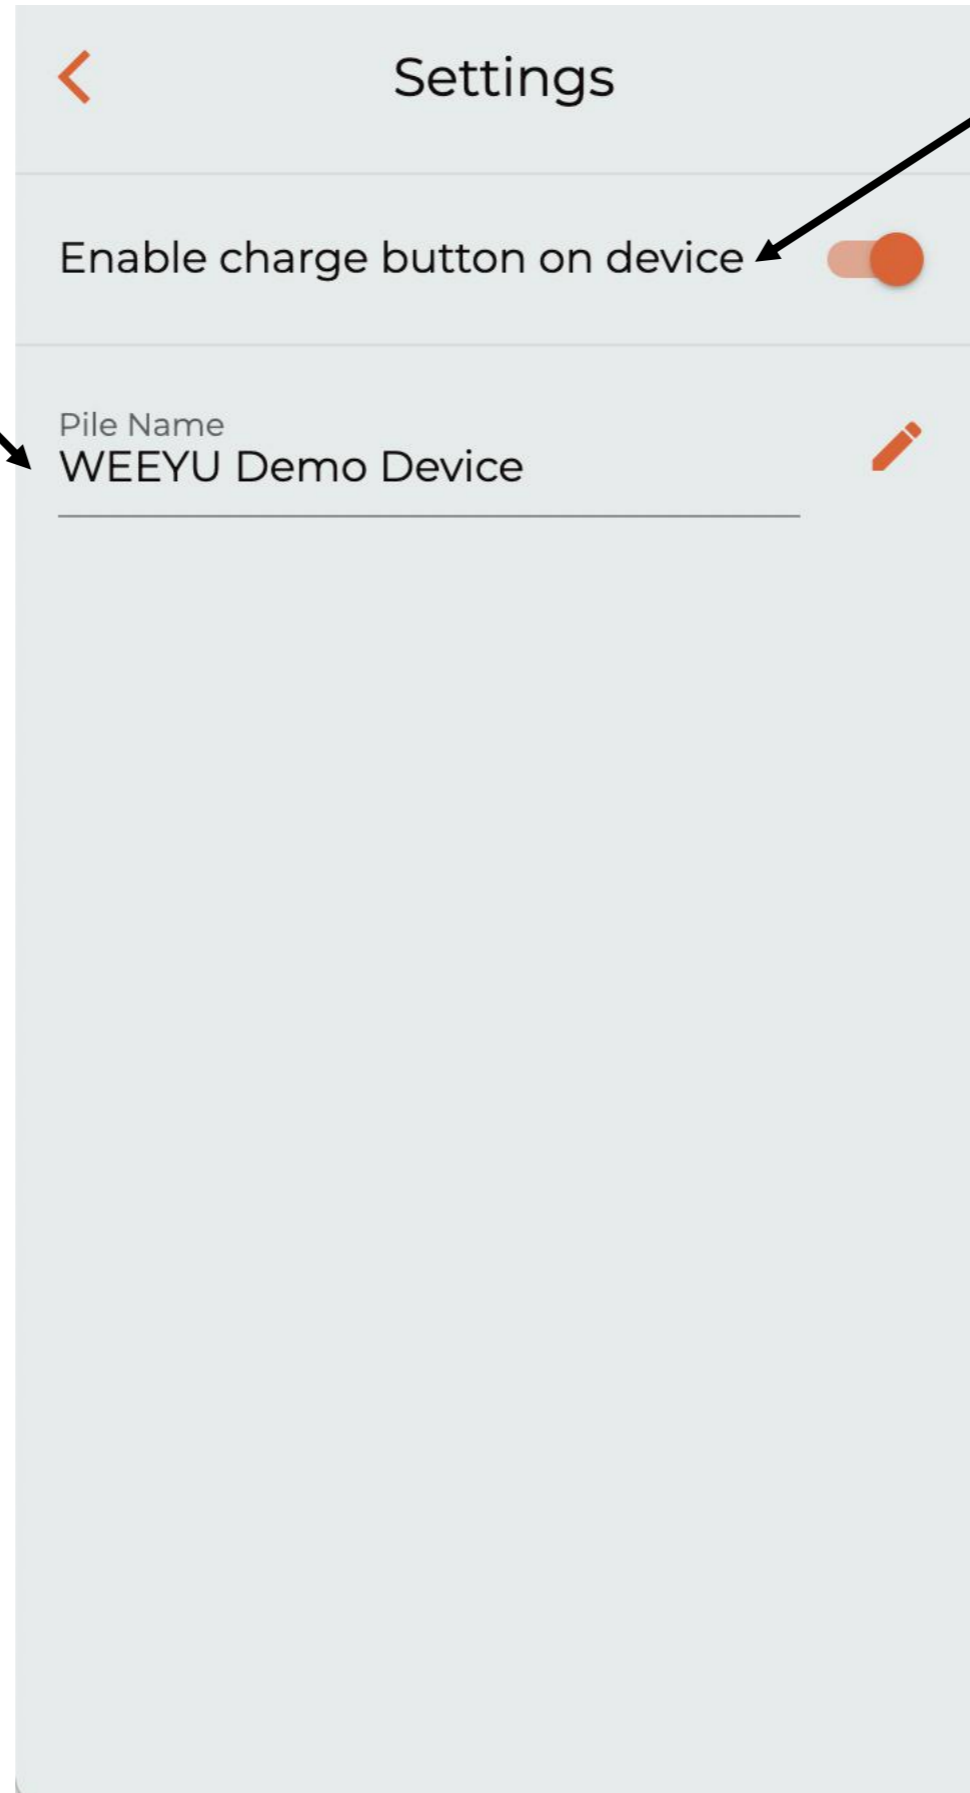

1. Slide To Left

2. Tap Delete

3. Tap Confirm

Setting Page

Set charger's name

If turn on the physical button to charge function or not.

Account Information

The screenshot shows a user profile for 'testuser' with the email '31****11@qq.com'. It includes three statistics: 37 (with a bar chart icon), 97 kwh (with a lightning bolt icon), and 7 h (with a clock icon). Below these are menu items: Card Management (with a card icon), Change Password (with a lock icon), Change Email (with an envelope icon), FAQs (with a question mark icon), Privacy Policy (with a document icon), About (with an information icon), and Sign Out (with a power icon). At the bottom is a navigation bar with icons for Charge, Stastics, Notificati..., and Profile.
