
WOMEN WOES: A COLLECTION OF STORIES, TRIUMPHS, TRIBULATIONS & ENLIGHTENMENT

LADY OF LIGHT: Women Woes, Triumphs, Tribulations, & Epiphanies

Letter for Women Woes Prospective:

Dear Elite & Highly Prestigious Lady of
Light:

It is my honor to share with you the
awakening of a project destined for me.
Through a very trying time of my life, I
gained the epiphany (vision) it is my
calling to inspire the youth and people of
all backgrounds. It also dawned on me
that, although still young with many
lessons yet to learn, I have truly
experienced a lot at this point in my life.
With this point in mind, body, and spirit, I
would love nothing more than to share
those experiences in the form of a book,
with the goal to distribute as a donation
to the proper non-profit organization(s)

to reach women and the youth in areas
harder to get to. There will also be a
digital platform for this project where
Women can share their trials, triumphs
and enlightenment. In addition, the goal
is to serve as a guide to life for some
young ladies and relief to women and
people of all backgrounds that may
share similar experiences. Now, with the
explosion of media, my goal has
expanded to taping some stories or
testimonials to reach more populations.

Furthermore, my spirit led me to believe
that it would give more impact to collect
experiences from other ladies of light,
which is why you are receiving this

letter.

I am requesting that you join me in being a source of enlightenment and direction for another lady of light by sharing your story with me to include in this collection of experiences for my book and/or digital platform. Please be advised that upon your request, your name would be excluded from all personal entries. You also have the option of allowing me to only use your initial signature at the bottom of your excerpt.

Please understand I am not asking you to write or type or collaborate with me in any form of the production of this project. I am simply asking that you give me your permission to share your experience, in my writing form, to be an inspiration and guidance for another lady of light.

We will meet either in a group or one-on-one depending on your comfort level or speak on the phone, in which through all interaction forms, our

conversation will be recorded for the sole purpose of recalling your story. The voice or video recordings will not be used for sale or any other purposes for this project without your expressed consent. Your visual image & audio image will be concealed, unless you give me permission to use in any form of art by my discretion. In which case, there will be a signed agreement.

If you agree with the terms and would love to join me in this life changing experience, please respond to this letter with the subject line
~YES Lady of Light~ if you agree to share your story
OR
~NO Lady of Light~ if you don't agree to share your story

Thank you for your time in reading this letter!

Love, Peace and Success,
