Bcc: Nathan Billings <nbillings@blfky.com>

All of the ballots have been sent to you. As per the instructions printed on the ballots only the lower portion was to be returned. The lower portion does not include any property owner information. There were only a few ballots that were received intact. The lower portions of those ballots were removed and the property owner information was discarded. It is inappropriate to ask which property owners voted and who they voted for.
