

Fan N24 Portable Fan

Nederman portable Fans are simple and powerful ventilation units for service, repairs and other temporary work. Ideal as an extractor for welding fumes, steam, dust or for providing fresh air during work in confined and enclosed spaces. A compact and easy-to-use fan with inlet and outlet connections, makes a flexible and versatile unit with a wide range of applications.

- Compact
- Easy to use
- Stand included, wheel set as accessory
- On/off switch and motor protector included
