

GeoBlue Navigator[®] Student and Faculty Product Spotlight

What is GeoBlue Navigator?

Global medical coverage for international students and faculty that provides:

- Complete, affordable worldwide coverage designed for students, teachers and faculty
- Annual plan for individuals and their families who intend to be outside their home country at least three months a year
- Covers dependents and families (only the subscriber must be a student, teacher or faculty)

Why should I choose this plan?

- Flexible options for plan length
- Plan options that meet F1 and J1 visa requirements
- Unlimited annual and lifetime medical maximum
- Contraceptive services and supplies are covered
- Comprehensive mental health services included
- Choice to see any healthcare provider outside of the U.S. and access to the Blue Cross[®] Blue Shield[®] PPO network in the U.S.
- Pre-existing conditions covered with proof of previous coverage
- Illnesses and injuries related to terrorism are covered
- Includes prescription coverage
- Optional dental, vision, and maternity coverage
- Unlimited telemedicine services
- Medically necessary COVID-19 testing and treatment is covered

What options are available?

- Customize your medical coverage to suit your needs; this plan can be kept up to nine months upon your return home, offering unique portability
- Select from a range of plan deductibles: \$0, \$250, \$500, \$1,000, \$2,500 and \$5,000
