

# LEDC Happening's

- Laughlin Water Service
- Flood Control
- Laughlin Bridge Construction
- 2024 LEDC Annual Meeting
- 2023 LVGEA Annual Awards Gala

### **Laughlin Water Service**

LEDC continues to engage with the LVVWD on water service for Laughlin. Resolutions are not forthcoming. Private water systems may be required unless the County and LVVWD come up with a plan to resolve the water moratorium. The LEDC has communicated with them multiple times during 2023, and we are updating our [laughlinedc.org](http://laughlinedc.org) website.

### **LEDC Annual Meeting**

The Annual Meeting for 2024 will be held February 15. We hope all our members can attend this great event.

### **Laughlin Flood Control**

The Regional Flood Control District is in the final planning stages for a detention basin and diversion dike and other immediate impact items for the area of Bruce Woodbury and Thomas Edison. The March 15 flash flood raised the issue of this due to the impact on the roads and businesses at the end of Bruce Woodbury.

### **Laughlin Bridge Construction**

The Laughlin Bridge construction continues. Project should be complete by late first quarter 2024. The LEDC monitors this construction for the benefit of the community.

The Southland Wet Utility design has yet to be addressed by the County. This study was first requested by the Laughlin Town Advisory Board in November 2017 with a resolution passed by the board. The LEDC raised the issue in October 2019.

### **LVGEA Annual Awards Gala**

The LEDC attended the 2023 LVGEA Awards event on October 19, 2023. The LEDC sponsored a table and was happy to host Barbara Cegavske, former Nevada Secretary of State; Gail Anderson, former Deputy Secretary of State for Southern Nevada; Cecilia Heston, Public Information Officer for the Nevada Secretary of State; Jill Ramelot, Reporter for the Laughlin Nevada Times; Dr. Brian Paulson, Government Affairs Director for the LEDC; Robert Bilbray, Strategic Development Advisor to the LEDC; Cheryl Crow, Vice President, LEDC; Ashlyn Sainz, member of the LEDC and Vice President of RB Properties, and Martin Knauss, President, LEDC.

A great time was had by all. The LEDC thanks all our guests for their service and look forward to working with them in the future.

# Thank you to our Patrons / Enhanced Members!
