SERVICES**

Help Is Closer Than You Think.

## *Are You Experiencing Any Of The Following:*

- Recent loss
- Frequent crying
- Difficulty sleeping
- Decreased energy or fatigue
- Feeling hopelessness
- Persistent sad, anxious or "empty" mood
- Thoughts of death or suicide
- Moving or talking more slowly
- Difficulty concentrating, remembering or making decisions

## *Who We Are*

**Our practice is established around the concept of quality of care and positive outcomes with counseling. Our team of highly qualified medical professionals are instrumental in bringing together a positive patient experience with timely and accurate evaluations.**

**Our experience enables us to offer effective outpatient, individualized, psychotherapy care. We treat a number of mental health disorders, and provide a neutral ground to individuals, families, and couples.**

## *Our Patient Promise*

**We promise to be there for you every step of your journey. Our goal is to help you grow from your struggles, heal from your pain, and move forward to where you want to be in your life.**

## *Therapy & Counseling Options:*

**Cognitive Behavioral Therapy**

**Psychodynamic Therapy**

**Solution-Focused Therapy**

**Narrative Therapy**

**Validation Therapy**

**Transition Counseling**

**Palliative Counseling**

**You Are Not Alone.**
