reason to DANCE!

Worden Avenue Exchange

A very classy yet artsy venue in Ladysmith where we hold our special events off campus.

Standing alone on a stage, with the eyes of all your classmates and dorm parents focused on you, is usually a cause for anxiety or fear, but not at NCA. Here it is all about sharing your passions. Whether singing, playing an instrument, or dancing, NCA students make sure their fellow classmates feel confident, admired, and respected when on that stage.
