

SUMMER CAMP 2023

NORTH CEDAR ACADEMY

Students of all levels of English can participate in our summer program that includes two curriculum pathways - English Language Learning (ELL)/TOEFL Prep & Testing or College Prep & ACT/SAT Readiness

We are excited to offer you a summer filled with learning and adventure with fun and dynamic trips as well as engaging hands-on activities. Your mornings will consist of academic classes in one of our two curriculum pathways - English Language Learning (ELL) or College Prep & ACT/SAT Readiness. Both of these programs will be guided by top instructors and native English-speaking peer mentors to offer you the opportunity to strengthen your English skills or to sharpen your ACT/SAT test-taking abilities.

In the afternoons and on the weekend you will join your counselors to enjoy local attractions, visit cities and their college campuses such as the Universities of Wisconsin- Madison and Eau Claire, explore the natural beauty of Wisconsin, shop at the Mall of America, and take part in friendly games, movies, and campfires under the stars. Visits to amusement parks, museums and other tourist spots as well as restaurants, beaches, and colleges will provide a window into American culture.

You will stay in our on-campus dormitory in double rooms under the guidance of trained dorm supervisors. You will have WIFI access, e-sport game rooms and laundry facilities, outdoor space for sports such as kayaking, badminton, soccer and hiking, and incredible meals from our school chef. Campers will interact with peer mentors from the United States in the classroom and during activities to practice their English. Living in the dorm provides new opportunities to develop self-discipline, time management skills, and independence. Your time at North Cedar Academy will leave you with lasting memories and life-long friendships. Our program is developed to enhance your academic skills while enjoying your best summer ever. Come join the fun and be ready to open your eyes to brand new adventures every day!
