Lots of people can feel a little nervous about their first appointment but there really is no need. We have answered some common questions below to help you best prepare yourself.

# FITTING & DRESS DETAILS

The most important decision for any Bride when planning her wedding is made when choosing her dress. Like every Bride you will want to wear the most beautiful dress you have ever seen. It is best to go shopping with someone whose opinion you value, but don't let them push you into a decision you may regret later. Our advice is that you should fall in love with your dress and not only look wonderful, but more importantly feel comfortable wearing it. Our trained staff are experienced in helping you choose your special gown.

### PROFESSIONAL MAKE-UP ARTIST AND ADVANCED EYELASH AND EYEBROW TECHNICIAN

I have been involved in the beauty, make-up and modelling industry since secondary school. It's not only a job to me but a passion and hobby which makes the experience so rewarding for me as it does for the client.

I offer bespoke wedding packages including eyelash and eyebrow treatments, wedding make-up and spray tans to get you wedding ready. I only use the best high-end products from my favourite make-up brand Charlotte Tilbury which creates the perfect flawless bridal look. You will feel enriched with deluxe skincare products applied before the make-up to prepare the skin before the magic happens.

At Lash & Glow I provide the most luxurious and relaxing beauty treatments to ensure the flawless glow all day and night.
