

A full-page photograph of a wedding couple. The bride, on the left, has blonde hair styled in an updo and wears a white sleeveless wedding dress with a long, sheer veil. The groom, on the right, has short brown hair and wears a white long-sleeved shirt under a dark blue vest. They are standing on a green lawn, facing each other and smiling, with the groom's arms around the bride. Behind them is a large, dense tree with green leaves. The text 'Skitby Weddings' is overlaid in the upper center of the image.

Wedding Musician

Music that will capture the mood and emotion of the occasion and leave both yourselves and your family and friends with lasting memories.

Gill Wadeson
An accomplished & versatile performer based in Cambridgeshire

Pianist & Violinist

I am an experienced solo acoustic and electric violinist, and professional pianist. I offer an extensive and ever-growing repertoire of popular wedding music, from classical to the latest pop hits. These can be performed on either a traditional acoustic violin or a stunning black electric violin which can be amplified and accompanied by professional backing tracks if required.

I take enormous pride in working closely with couples to ensure an individual musical backdrop is created for their ceremony, one that is unique to them and mirrors their personal musical preferences and feelings. If your special song is not on my current repertoire list, I am very happy to compile an arrangement for your special day.

Please call me to talk about how I can make your wedding music unique and meaningful for you.
