

YORKSHIRE WEDDING BARN

An unforgettable wedding experience in the Yorkshire Dales

Where Your Happily Ever After Begins...

Picture this... tranquility, beauty and a dash of magic, all wrapped in fairy lights.

Set among the rolling hills of the Yorkshire Dales, The Yorkshire Wedding Barn comprises two spectacular and newly converted barns where all your dreams can come true. Our timeless, yet modern venue provides the perfect place to celebrate among family and friends and our gorgeous accommodation means no-one needs to head home at the end of the night!

We pride ourselves on our friendly and personal touches to each wedding. Being a family run business means we have the flexibility to cater to special requests and we will ensure your wedding is a memorable and unique start to your story.

With a seated capacity of up to 160 in our Wedding Barn and up to 300 in our Lake Barn we have options for smaller and more intimate weddings as well as those harder to cut down guests lists!

Getting Ready

Mirrored bar, roll top bath, perfect lighting; what more could you need? Our exquisite, tailor made dressing suite is ideal for those quiet (or not so quiet) moments with bridesmaids before the day begins. Bring hairdressers, make-up artists, a whole entourage if you like - there is plenty of room.

Don't forget to take those all-important selfies out on the balcony before you head down to the ceremony! Indulge a little more by booking a beauty treatment right in your dressing suite.

Saying I Do... in our Gorgeous Lake Barn

Vaulted ceilings, beams draped in sparkles and views for miles; the Lake Barn is an enchanted place to say 'I do'.

Picture that moment, walking down the aisle, the room complete with candles and fairy lights & bursting with love.

There is nowhere more perfect to share those first special minutes that will start off your lives together.

The Great Outdoors

During the warmer months we can provide a picture-perfect lake-side ceremony in our beautiful garden.

Adorned in fairy lights, it is just waiting for you and your partner to say your vows.

Where the Magic Happens... The Wedding Barn

Let your story continue in our wondrous Wedding Barn. Surrounded by those closest to you, enjoy food, drink and of course, the well-awaited speeches.

There is no place more bewitching or perfect for those intimate moments during the wedding breakfast. Spill out onto the terrace and enjoy the sunset over the hills and lake (perfect sparkler opportunity!). Our comfy outdoor seating is just what you need to relax and unwind... and then it's onto the party!

In the Kitchen & Drinks at the Bar

We provide a practical kitchen space in each barn for your chosen caterer to use. They have a separate back of house entrance, leaving you and your guests in privacy.

At the bar. Fancy a drink? Whether it's gin, prosecco, beer or lager (or anything in between), we've got you covered with our stunning and contemporary bar/bistro area. More of a cocktail person? Have no fear, our bar team will be happy to recommend some of our in-house concoctions. Filled with marble tables, cosy armchairs and a roaring log burner, it is the perfect place to catch up on the gossip from the day. With glass doors leading you out onto our fairy-lit canopy where you can sit and enjoy the panoramic views of the countryside (and maybe spot a swan or two). Gather guests together the night before for a pre-wedding drink. Food, fun and laughter is the best way to start the celebrations. We can provide a completely bespoke drinks package for your day, or enquire about our corkage option.

Dance the Night Away

After the laughter and tears of the speeches, head back to the Lake Barn where your band or DJ is playing, the bar is open and there is plenty of space to show off your moves. A great space for your first and last dance of the day.

In the Haybarn

Cosy up the night before with family and a glass of bubbly by the roaring fire or continue the party outside in the hot tub.

The Haybarn welcomes 12 of your guests to spend your wedding in rustic luxury.

Each room has it's own en-suite, king size bed and spectacular views. You'll never want to leave!

Here for you

We have a fantastic support system here at the Yorkshire Wedding Barn. Our team will be with you every step, from the moment you enquire to the big day itself allowing you to relax and enjoy the build up and your time staying with us.

The Nitty Gritty

Along with a fantastic team, you'll have exclusive use of the venue and many wonderful extras:

A fully stocked and staffed bar for paying guests - we can make this truly bespoke depending on your requirements

A kitchen space for caterers • Glassware for your event • PA system • Easel • Tables and chairs for ceremony, wedding breakfast and evening reception

A selection of lanterns, tea lights and candelabras • Fire pits and outdoor heaters • Outdoor furniture

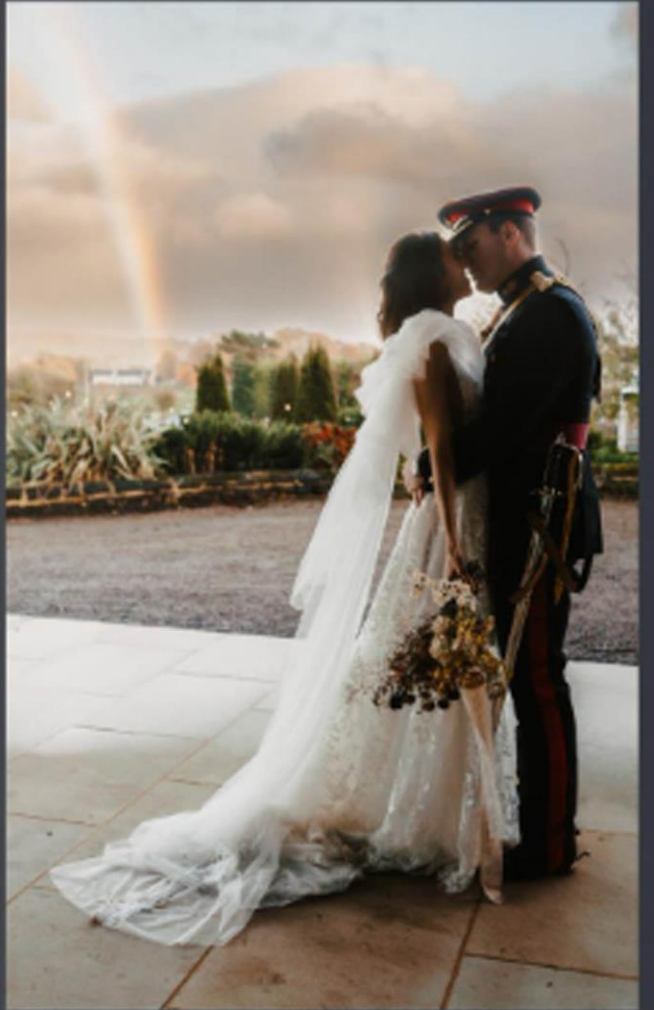

For winter weddings we also provide Christmas trees for that perfect finish.

The All-Important Photographs

Bright yellow fields, lacy hales, lakes and fairy lights. There are too many photo opportunities to count. Whether it is indoor or outdoor, summer or winter you won't be stuck for that perfect shot.
