The buyer is responsible for all medical costs for the puppy once the puppy is with you the buyer. Deposits are non-refundable unless Marcy Hauskins decides otherwise.

FOR THIS WARRANTY TO BE HONORED:

ALL puppies must be examined by a Vet within 1 week of picking up puppy unless a different timing is agreed upon by breeder Marcy. A copy of this exam is required to be sent to me the Breeder Marcy Hauskins by no later than 24 hours after exam. Your Contract becomes **ACTIVE** when I receive proof of Vet exam. **PLEASE NOTE:** It is especially important to get immunizations on time by recommendations of your vet, your puppy next immunizations are due at 10 weeks of age so therefore your puppy should **NOT** be in public places until 2 weeks after second set of immunizations to protect against diseases such as Parvo and others.

If within the first year your puppy develops a Genetic Congenital life threatening condition that severely impacts the quality of life of puppy or the puppy must be put to Euthanized a replacement puppy will be granted. **PLEASE NOTE:** this would be **EXTREMELY** rare and has NEVER happened with my dogs but in the event it does I will need to be notified **BEFORE** it is done, and an autopsy will be required to prove congenital problem is cause. The buyer is responsible for ALL Vet costs charged by their Vet.

There are certain disorders and issues that can arise that may be caused by improper diet, environmental factors, and stress. Since these factors cannot be controlled by me, the breeder, the buyer is responsible for all costs that arise due to these circumstances. All medical or financial issues incurred by the puppy in this contract are the sole responsibility of the new owner from the date the puppy leaves with new owner. There are no exceptions for any reason.

INFORMATION REGARDING SPAY/NEUTER

For the puppy contract to stay active for 1 year I do require your puppy to be spayed/neutered by first day of 7 months old. The date will be written on contract as deadline for you to have sent me proof of procedure being completed. If you do not send me proof of procedure completed by that date on contract, your contract will be **VOID**. I will send you notice that your contract has been voided. I make **NO** exception to this. If your Vet recommends waiting that will be your choice and I respect that completely, but I will still **VOID** contract.
