2. It was noted how nice the bench is at Pond #2. The Board decided to order same bench for Pond #1 and eventually for Ponds #3 & 4. The concrete benches currently at Pond #1 will be relocated to the Pool area.

3. Debbie Graves has been in touch with the town of Selbyville regarding the chain/emergency road entrance in front of the pool. The town advised Debbie to contact the Fire Chief as they do not believe it is necessary. Debbie will be sending the Fire Chief an email/letter, requesting removal.

4. Many have inquired about a 4th of July outing at the pool. Since it came upon us so quickly and there are scheduling conflicts, it was decided not to have a 4th of July outing. It was decided to have annual Memorial Day and Labor Day outings at the Pool area. Mary Mitchell will be sending out an email regarding “Adult Appy Hour” at the pool. Please feel free to have your own Happy/Appy Hour at the pool with your friends and neighbors. REMEMBER NO GLASS CONTAINERS.

5. At the annual HOA Meeting it was discussed and decided we would place the homeowners contact information on the website password protected. Jonathan Poole (Property Manager) and Matt Noble (webmaster) will be setting this up over the next couple of weeks. Upon completion, Karen Bryant (Secretary) will send out the password to homeowners FOR THEIR USE ONLY.
6. Janine had inquiries regarding the town spraying for mosquitoes. She has been in contact with the town and LHC was sprayed for Mosquitoes already this season, but with all the rain a request has been placed to spray again. Spraying will take place in the evening hours.

7. Karen Bryant mentioned the pine tree in the common area (on the end) by Pond #4 the roots are showing and one of the residents is concerned that it may fall. If so, it would hit their house, it is worrisome. Debbie Graves stated she would have the arborist take a look at it and advise.
