

Stars

Words and music by: Elizabeth Rose

VERSE 1

Bb
A million words in my head
F/A
All the things I should've said
Eb/G
But I didn't have the confidence

to get them out
Bb
A thousand times I've wondered why
F/A
I can't even get one thing right
Eb/G
But I guess that's just a part of life

I hope -

CHORUS

Bb **F/A**
One day I'll look back on this
Eb/G
And I'll see that all my scars
Bb
Have become Stars
F/A **Eb/G**
But How can all my scars
Bb -> F/A -> Bb
Shine like stars

VERSE 2

Bb
I got caught up in all the lights
F/A
and asked if I would be alright
Eb/G
to stay out in the cold
Bb
just a little while
Bb
But then the lights went out

and the cold crept in

F/A
I lost a love that could've been
Eb/G **Bb**
I left behind a part of me

I hope -

(CHORUS)

BRIDGE

Eb
There's a hope in every situation
Bb/D
A peace that's on a firm foundation
Gm
So if you want it
F **Bb/D**
Choose to want it
Eb
If you're tired of chasing empty dreams
Bb/D
that only lead to empty things
Gm
Make a change

F
so you can say

CHORUS 2

Bb **F/A**
One day I'll look back on this
Eb/G
And I'll see that all my scars
Bb
Have become Stars

F/A **Eb/G**
Somehow all my scars
Bb F/A Eb/G Ab maj7
Will shine like stars
